FALL THEATRE PERFORMANCE

Tickets are now on sale for our [Department of Academic Arts'](#) upcoming Performance of [Alice](#). Written by Ara Vito, "Alice" is a variation on Lewis

Carroll's classic tales (Alice in Wonderland and Through the Looking Glass) that relate the story of a young girl named Alice Pleasance Liddell and the relationship she develops with Charles Dodgson (alias Lewis Carroll). Overcoming her parents' stifling indifference, Alice discovers her creativity through her adventures on the other side of the looking glass, conquering her fears as she approaches a vision of her true self. Come see this new and reimagined retelling of one of our childhood favorites!
