## OPEN ENROLLMENT

Open enrollment for NEW students is now underway through March 13, 2023. We want to attract families who support the principles upon which we were founded... families who want their students to be lifelong learners - ready for the world beyond high school - whether that means college or a career.

**YOU** are our best ambassadors. If you know an academically minded family who would like to join the HPA family, please tell them about us - and let them know we are now accepting lottery applications for new students for next school year. We also welcome you to share **Google reviews** that tell your story. Here is the [lottery application link](#). If you have any questions, please contact our registrar, Cindy Pizor, at [cpizor@hspart.org](mailto:cpizor@hspart.org).

We know YOU have a choice, and we would like to **thank you for choosing High Point Academy.**
