Child ID kits are now available at your request. This kit should take less than 2 minutes to complete and is

designated to be stored solely by you as a parent or guardian in a cool, dry, and safe place at home. Please understand there is no obligation to request or use the kit. However, it will allow you to have your child's vital information, fingerprints, and DNA in a safe place should you ever need it..." If you would like a Child ID kit, please contact your student's teacher.
