MORE CONGRATULATIONS

We are pleased to announce two transitions on the HPA leadership team.

- Please help us congratulate **Coach Eric Wells** as our new **CTE Administrator**. Coach Wells has expressed an interest in transitioning to an administrative position and we are delighted to have him on board to help expand our Career and Technology Education program which includes classes like Media Technology, Computer Science, and Adobe Photoshop. We deeply appreciate Coach Wells's service to our Athletic Department during which his six-year tenure includes championship titles and oversight of our brand new gymnasium, The Den.

For more information about our CTE program, email Coach Wells at ewells@hspart.org.

- **Coach David Paschal**, who joined HPA as Assistant Athletic Director this summer, assumes the position of **Athletic Director**. Coach Paschal, who teaches high school math, came to us from Hillcrest High School in Greenville County where he served as Assistant Athletic Director and was a math instructor. He played baseball at the college level and has 24 combined seasons coaching at the varsity level of football (6 seasons as head coach), women's basketball, softball, baseball, and wrestling at schools of Martin County High School (FL), Spring Valley High School, Blue Ridge High School, and Hillcrest High School. He is certified as a Registered Athletic Administrator through the National Interscholastic Athletic Administrators Association and holds a masters in Athletic Administration from Arkansas State University as well as a bachelor of science in Elementary Education (with a specialty in math) from Grand Canyon University in Arizona. Coach Paschal has already been a tremendous asset to our athletic department with the addition of our HPA Athletics social media accounts.

For more information about our athletic pages, email Coach Paschal at dpaschal@hspart.org.
