This year's book is \$25 and has over \$6200 in local savings. A flyer and envelope were sent home with elementary and middle school students or you can order online by **clicking here**. Use EZPay Code: HPAPTO. Sales run through Monday, September 19. The top salesperson will receive a birthday party package and can choose from an Arena X Birthday Party Package or 60 Minute Big Air Birthday Party Package.

TESTING DATES

Your child's academic success is our main priority. As a public charter school, High Point Academy must administer several tests as required by the State Department of Education each year. **Click here** for a chart below that shows the name, dates, and grade levels required to take each test. If a student is absent the day a test is given, the student must make up the test upon returning to school. Thank you for your help in creating a positive testing environment at High Point Academy.

Congratulations to **Bryant Burns** who received the Rural and Small Town Recognition Award from College Board! Bryant, a Junior and baseball player, earned this national recognition because of his academic achievements in school and outstanding performance on the PSAT.
