

High School Parents and Guardians,

**As a public charter school, High Point Academy High School must administer several tests as required by the State Department of Education each year if your child is currently enrolled in one of the courses below.** Additionally, the High School (HS) 2nd-semester End-of-Course (EOC) tests and final exam dates are included. The chart below shows the test name, dates, and grade levels required to take each test. These tests are one indicator of how well we are performing as a school, and we ask that you make every effort to have your child at school on time each day, but especially for the dates listed below. If a student is absent the day a test is given, they must make up the test upon returning to school. **For the Senior Exams/High School exams, it is required that all students are present each day and to provide a doctor's note for unapproved absences for these dates.** We thank you for your help in creating a positive testing environment at High Point Academy.

Test	Test Date	Grade Level	Location
Senior HS Exams	Wednesday, May 12, 2021- 1st block/ 2nd block (Report to school at 8:15 am)	12th	PAC
